GREEN WRITERS' MEMBERS HAND BOOK

WRITING INTO THE FUTURE...

HISTORY OF GREEN WRITERS

Green writers is the brain child of teen author; Abolarin Mojoyinoluwa Emmanuella and friend Achille Nicole. It was first established on 20th February 2020 as a model for authors to share their creativity in creating wonderful art works. The group was reported to have written about 50 books which were lost to theft. It was then ended due to the fear of the loss of books.

It was later rekindled on January 25th 2021, with the same purpose. It extended till December 20th 2024 before it was once again ended, until teen author Abolarin Mojoyinoluwa decided that it was time for it to awaken from its long slumber on March 28th 2026. The group wishes to come back bigger and stronger by making their products available on platforms like Amazon, WhatsApp and on their own website.

writing into the future…

NATIONAL ANTHEM

I

Nigeria, we hail thee,
Our own dear native land,
Though tribes and tongues may differ,
In brotherhood we stand
Nigerians all, are proud to serve
Our sovereign Motherland.

II

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honoured,
And this we count as gain,
To hand on to our children
A banner without stain.

III

O God of all creation,
Grant this our one request:
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

NATIONAL PLEDGE

I pledge to Nigeria, my country
To be faithful, loyal, and honest
To serve Nigeria with all my strength
To defend her unity
And uphold her honor and glory
So help me God.
